

Product Development Leader (f/m/d)

Take your next career step at Sukano with a global team in a dynamic environment committed to taking action and contributing to a sustainable future and a circular economy.

About Sukano

Sukano is a world leader in developing and producing additive and color masterbatches and compounds for polyester, bioplastics, and engineering resins. The company is driven by expertise and focuses its technical knowledge on developing innovative products and services that serve in Packaging, Healthcare, Consumer Durables, Building and Constructions, and Textiles.

Headquartered in Switzerland, it is a family-owned business with a global distribution network and production facilities in Europe, the Middle East & Africa, the Americas, and Asia Pacific.

We are looking for a **Product Development Leader (m/f/d)** to strengthen our R&D team at our headquarters in Schindellegi, SZ, starting immediately or by agreement.

Key responsibilities

Product Development Leader (PDL) for assigned product segments

- Leading development projects for new masterbatches and compounds
- Evaluation of new suppliers and maintenance of technical contact with existing suppliers and machine manufacturers
- Market analysis of additive and product offerings
- Conducting, analyzing, documenting, and communicating necessary process engineering and analytical experiments for product development
- Monitoring production during the development stage and initial productions on new equipment
- Documentation of products (TDS, MSDS, RC)
- Regular training of sales teams on products and technologies
- Supporting sales during customer visits or trials, troubleshooting

Requirements

- You are an accomplished plastics, material science or chemist engineer with a university degree (or similar)
- You possess relevant engineering and business development experience in an international setting
- You have strong interpersonal and communication skills, in order to develop strong relationships, with colleagues, suppliers, and customers
- You are highly proficient in spoken and written German and English
- You are able to work independently in a determined and self-motivated manner
- You have a well-balanced “getting things done” personality who takes action with ambition, perspective and hands-on mentality

What Sukano offers

- Professional and friendly work environment
- Competitive salary and attractive benefits package
- Detailed onboarding program and personalized training opportunities
- Dynamic and international work environment
- Work that makes a valuable and impactful contribution to the environment
- Open work culture and diverse workforce in a family-like atmosphere
- Highly motivated and successful team guided by expertise

At Sukano, we believe that a brighter future is built on diversity. We're proud to offer equal employment opportunities and to be an affirmative action employer.

We are looking forward to receiving your full application and documents online or by email.
